Hello Mr. Hart,

Your Illinois Freedom of Information Act request below has been granted. Please see the attached electronic document responsive to the portion of the request for data on non-bargaining unit, non-certified support staff. With regard to the portion of your request for recent contract(s) with support staff, we sent a copy of the District's contract with GCA Services Group to Denise Hopkins of the IEA on October 28, 2014. We are still operating under the same contract. Would you like me to send you an invoice for another copy of this agreement? Because of the size of the bid/contract, it is too large to email. We have no other responsive contracts.

Ms. Euhus,
We're interested in the most recent contract with any transportation, food service, custodial/maintenance, or other support staff contracts – basically anything that employs support staff in the district (so if there's a subcontracted vendor for, say, food supplied that doesn't employ any cafeteria staff, that wouldn't be important). Is that helpful?

Thanks,
-Joe Hart

Dear Dr. Jarrett

It has come to my attention that you may have received another information request from IEA that partially duplicates the scope of FOIA request sent out at 9:30, August 19, 2015. To that end we are revising the first portion of the August 19th request to request:

> The names of all non-certified support staff employed in Rockford SD 205 *excluding those already represented by an IEA-affiliated local.*

Subsequent sections of the request (for job titles, date of hire, and so forth), likewise apply only to the non-certified support staff referenced above.

If there are no such staff in Rockford SD 205 not represented by an IEA-affiliated local, please let me know by e-mail and you may consider the entirety of the August 19 request withdrawn.

Best regards,
