Hello Jane,

Your Freedom of Information for, “the consolidated district check register for any and all checks made out to Ehren Jarrett, Matt Vosberg, and Dan Woestman for amounts, dates, and explanation of what monies were used for” has been granted. Attached are the check registers you requested.

You also expressed confusion on the processing of FOIAs and asked if all documents are now in paper format only, or can they be received digitally as well. If a record is maintained by the District as a paper record only, then the record will be provided as a paper copy in most instances. So for example, when you requested copies of older receipts submitted for reimbursement of travel expenses, these copies are maintained only in paper format. These copies were provided to you as paper copies. If we maintain an electronic record and if that records does not contain information exempt from disclosure under 5 ILCS 140/7, then the information will be provided in an electronic format. Upon occasion we maintain older records in a paper format and more recent records in an electronic format. In these cases, the District’s response will be provided in both paper and electronic format. 5 ILCS 140/6.

As always, please feel free to contact me with questions or concerns.

Hopefully, we will receive legible and specific information that we need on expenses of the leaders of this district.
