FOIA Request: The *consolidated district check register* for any and all checks made out to Ehren Jarrett, Matt Vosberg, and Dan Woestman for amounts, dates, and explanation of what monies were used for

Dear Chris,

After having considerable problems with information on past FOIAs, this FOIA request is necessary to ascertain expenses by the leaders of District 205. Because of this, we are requesting the above FOIA to clarify the expenses of district leaders in 205.

There is some confusion of processing of FOIAs. Is it true that all documents are now in paper format only or can they be received digitally as well?

Please don't hesitate to call or email us.

Sincerely,

Jane Hayes
