Thank you Alissa,

As previously indicated, your request for an electronic copy of the District's general check register from June 1, 2014 through June 30, 2015 has been granted. Please see the attached spreadsheet. I will forward the copies of the credit and purchasing card bills upon receipt of your check for copies. Please feel free to contact me with questions or concerns. Thank you.

Hello,

Thank you. Yes, I should be able to send a check in the mail sometime this week for \$15.00 to cover the cost for the credit cards. Would you be able to send me an invoice-like document informing me of the exact amount, who to make the check out to, and where to send it?

Thank you!  
Alissa

Hello Ms. Mack,

Rockford School District #205 received the attached request for documents under the Illinois Freedom of Information Act. You indicated you would like to be notified if the anticipated copying charges exceeded \$10.00. At this time we anticipate being able to provide an electronic copy of the check registrar and there is no charge for this electronic copy. We do not maintain a list of the district's credit card/pcard transactions. We are able to provide copies of the actual credit card statements. However we do not have these available in electronic format and anticipate the copying charge for these statements to be \$15.00 (250 pgs.- 50 pgs. at no charge or 200 x .15=\$15.00). Please let me know if you would like me proceed with this portion of your request, and we will proceed to redact the credit card numbers from these copies. The actual copies will be provided upon receipt of payment. Thank you.
