Hello Ricky,

Your Freedom of Information Act request below has been granted. The only record the District has of a Federal Audit in 2014 and/or 2015, is an email from the U.S. Department of Education indicating the Department of Ed. is conducting an audit to determine whether the Illinois State Board of Education has provided effective oversight. A copy of this email is attached. If I can be of further assistance, please feel free to contact me. Thank you.

Hello Chris,

Can you please send me any and all records regarding a Federal Audit of District 205 for the years of 2014 and 2015. I would also like to inspect any letters received by the school district regarding a Federal audit for the above years.

Sincerely,

Ricky Naylor
