**Subject:** Question for Masters Class

Tracy,

I am in the Masters in Urban Education masters cohort through RPS and Rockford University. I am doing a final project with another special education teacher from Summerdale. We are working on a project regarding paraprofessionals and incentives to keeping qualified paras in the district. I emailed Katie Kreller and she gave me your contact information. Are you able to tell me how many paraprofessionals are hired by our district and how many of those positions are still vacant or filled by CNA's?

Thanks so much!
