

HOW PRIVATE IS MY HEALTH INFORMATION?

The RPS 205 Employee Wellness Program is an important part of our healthy culture at Rockford Public Schools. Wellness programs promote the health and well-being of employees, which requires Protected Health Information (PHI) to be shared.

The Health Insurance Portability and Accountability Act (HIPAA) defines PHI as any information about health status, provision of healthcare, or payment for healthcare that can be linked to a specific individual. Viverae®, Rockford Public School's wellness program provider, takes the security of PHI very seriously, and complies with all HIPAA regulations.

Viverae properly safeguards and maintains the privacy of your PHI.
