

How does Teladoc work?

STEP 1:
Complete medical history
and request a visit.

STEP 2:
Talk with a doctor and
resolve the issue.

STEP 3:
Continuity of care and
account reconciliation.

When can Teladoc be used?

If your doctor is unavailable

If there's no time for an office visit

If you're on vacation or a business trip

If you need a short-term prescription refill

If distance makes an office visit difficult

For pediatric care for any age
