Leadership Assignment
Creative Thinking

Directions:

1. Read all of these directions before beginning the assignment.
2. In your Leadership Notebook, on the next blank page in the assignments section, write “Creative Thinking” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Trim and attach the project sheet you were given in class to the page.
4. In class, complete the project with your team.
5. Complete the sheet in your notebook. This part of the assignment is to be completed on your own, not with your team.
6. After completing the assignment, re-read what you have written, making any necessary corrections or changes. This should be your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn your Leadership Notebook into your mailbox as soon as you are finished with the assignment, but no later than the due date listed on your work plan.
