Reading Assignment
Slavery Novel Studies 5

Directions:

1. Read all of these directions before beginning this assignment.
2. In your Reading Notebook, on the next blank page in the assignments section, “Slavery N.S. 5” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Read pages 249 - 302. As you are reading, write annotations on post-it notes, and stick the notes on the page on which the annotation applies. You must have a minimum of 15 annotations for this section, but write more, if you find more passages which you would like to annotate.
4. Trim the vocabulary word sheet you were given in class and attach it to the next blank page. Choose 3 of the words on the list, from the section of reading for this assignment, for which you do not know the meaning. Look these words up in the book, and using the text only (not the dictionary), write what you think each one you have chosen means.
5. Write 2 FAT questions to bring to the group for discussion. Also, write a paragraph (5 – 8 sentences) about one of the following: a lesson you learned, something that happened that shocked you, or something that enraged you.
6. After completing the assignment, re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn your Reading Notebook into your mailbox, as well as your book, as soon as you have finished the assignment, but no later than the due date listed on your work plan.
