“North vs South”

Directions:

1. Read all of these directions before beginning this assignment.
2. In your Social Studies Notebook, on the next blank page in the assignments section, write “N vs S” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Write the name of the partner you were assigned in class at the top of the page, below the assignment title.
4. Trim the “Graph Walk” page you were given in class and attach it in your notebook.
5. With the partner you were assigned, visit each of the graph stations around the room, reading the information on each. Using that information, complete the “Graph Walk” page, together.
6. Trim the “Pre-Civil War Economic Development of the North and South” page you were given in class and attach it in your notebook.
7. Complete the page, using the information on the graphs posted around the room. This part of the assignment is to be completed on your own, not with your partner.
8. Re-read your assignment, making any necessary changes or corrections. You should be turning in your BEST work.
9. Mark the date on which you completed this assignment on your work plan.
10. Turn your Social Studies Notebook into your mailbox as soon as you have completed the assignment, but no later than the due date listed on your work plan for this assignment.
