Social Studies Assignment M
“Battles”

Directions:

1. Read all of these directions before beginning this assignment.
2. In your Social Studies Notebook, on the next blank page in the assignments section, write “Battles” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Trim the “Battles” sheet you were given in class and attach it to the page.
4. Choose one of the battles from the notes you were given in class and write the name of the battle on the sheet. Complete the rest of the sheet about your battle, completely and correctly. You may need to do additional research to complete this.
5. On a plain piece of paper, draw a scene depicting the battle. This must be more than a simple pencil drawing and it must be original (no copying and pasting images). It needs to demonstrate an understanding of the information about the battle which you wrote on the sheet. Use color and include details. Write the name of the battle somewhere on the page.
6. Re-read your assignment, making any necessary changes or corrections. You should be turning in your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn your Social Studies Notebook and your drawing (use your purple and green folders for your drawing) into your mailbox as soon as you have completed the assignment, but no later than the due date listed on your work plan for this assignment.
