Speech Assignment
Interpretive Recitation - Interpretation

Directions:

1. Read all of these directions before beginning this assignment.
2. In your Speech Notebook, on the next blank page in the assignments section, write “Interpretation” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. You will write your introduction to your piece, as well as your conclusion. Refer to the notes you took in class to determine what types of information you should include in both of these. Both of these should be a paragraph in length, which means each one should have 5 – 8 sentences. You do not need to re-write your piece, as long as it is in your notebook from the previous assignment.
4. Re-read what you have written, making any necessary corrections or changes. This should be your BEST work.
5. Mark the date on which you completed this assignment on your work plan.
6. Turn your Speech Notebook into your mailbox, as soon as you finish this assignment, but no later than the due date listed on your work plan.
