Speech Assignment
Preparation – Interpretive Recitation

Directions:

1. Read all of these directions before beginning this assignment.
2. In your Speech Notebook, on the next blank page in the assignments section, write “Speech Prep” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Create your notecards, using bullet points, only. You may use 2, one-sided, 3 x 5 notecards. Your notecards may contain bullet points for your introduction and conclusion, only. You may not write any part of the piece on your notecards. You are to memorize the piece, word for word.
4. You will also need to create a poster, to be used as a visual aid, for your presentation. This must be completed on a ½ sheet of poster board and will be displayed during your presentation. Follow the guidelines you were given in class for the content of the poster.
5. Trim and attach a minimum of 2 practice sheets into your notebook. You must practice at least 2 times and fill out a sheet for each practice session.
6. Re-read what you have written on your notecards, making any necessary changes or corrections. You should be turning in your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn in your notecards, using your purple and green folders, as well as your Speech Notebook, into your mailbox, as soon as you finish the assignment, but no later than the due date listed on your work plan.
