Writing Assignment
Creative Writing 7

Directions:

1. Read all of these directions before beginning the assignment.
2. In your Writing Notebook, on the next blank page in the assignments section, write “Creative Writing 7” at the top, as the title for the assignment. Write the date in the upper right-hand corner of the page.
3. Re-read the story which you have been writing and consider what the main theme of your story is. Write the theme in your notebook.
4. Write a paragraph explaining why you feel this is the main theme of your story. After writing your paragraph, write at least 2 quotes from your story that support your reasoning.
5. On separate, blank paper, draw a pencil sketch of a possible cover illustration for your story. This is a draft, not a final copy; therefore, you do not need to color it or include a great deal of detail. It is simply a sketch.
6. Re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn your Writing Notebook into your mailbox, as well as your sketch (using your purple and green folders for the sketch) as soon as you finish the assignment, but no later than the due date listed on your work plan.
