

Fairview Press Parent Newsletter April 2017

Thank you!

Thank you for attending parent teacher conferences and for your involvement in your child's education. We have enjoyed watching your child(ren) grow into students! This month we will also be watching many other things grow at Fairview such as; baby chicks, butterflies and many plants and flowers. Planting seeds at home and watching them grow is an excellent family science activity!

Kindergarten Registration

We currently have 20% of our families who have not yet registered for kindergarten. Please consider doing this over spring break. The deadline is March 31. Please follow this link for more information;
