Directions:

1. Read all of these directions before beginning this assignment.
2. In the Reading section of your notebook, skip a line from the previous entry and write, “Number the Stars 3”, centered on the page, as the title for this assignment. Write the date to the right of the title.
3. Read chapters 13 - 17.
4. As you read, mark a minimum of 10 passages with Post-It notes that you wish to discuss in class. On each Post-It note, write an annotation about the passage. Write the page number on which you found the passage on the Post-It note. At least two of your annotations must focus on symbolism you find while reading the section. Your Post-It notes must stick out slightly from the book so that the teacher may easily find them and read them.
5. Trim the sheet you chose in class, and attach it into your notebook. Complete the sheet, thoroughly and thoughtfully, using your best mechanics.
6. Trim and attach the vocabulary sheet you were given in class into your notebook.
7. Complete a set of “bubbles” for each word on the vocabulary list you were given in class. The information you write in each box should follow the format you were given in class.
8. In your notebook, write 3 FAT questions about this section to bring to the discussion in class. Be prepared to share your questions during the discussion.
9. Re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
10. Turn your notebook and your novel into your mailbox as soon as you finish the assignment, but no later than the due date listed on your work plan.
