Reading Assignment
Holocaust Novel Studies 5

Directions:

1. Read all of these directions before beginning this assignment.
2. In the Reading section of your notebook, skip a line from the previous entry and write, “Holocaust N.S. 5”, centered on the page, as the title for the assignment. Write the date to the right of the title.
4. As you are reading, write down at least 1 word in your notebook for which you do not know the meaning. Write the page number on which you found the word. Using the text surrounding the word, write down what you think the word means. Do not use the dictionary.
5. As you are reading, using Post-It notes, write 3 annotations (write the page number on the Post-It note), according to the following guidelines:
   - Write one annotation about the main character and his or her traits.
   - Write one annotation about a passage that surprised you and what surprised you about it.
   - Write one annotation of your own choosing. This must be original, not copied from anyone else’s.
6. In your notebook, write a prediction about what you think may happen later in the book, based upon what you have already read. Write a brief explanation about why you think this may happen. Include textual evidence to support your prediction.
7. Re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
8. Mark the date on which you completed this assignment on your work plan.
9. Turn your notebook and book into your mailbox as soon as you finish the assignment, but no later than the due date listed on your work plan.
