Directions:

1. Read all of these directions before beginning this assignment.
2. In the Reading section of your notebook, skip a line from the previous entry and write, “WW I Novel Studies 10” centered on the page, as the title for the assignment. Write the date to the right of the title.
3. Read the section listed in the chart below for your book.
4. As you are reading, write down words for which you don’t know the meaning. Using the text surrounding the word and not the dictionary, write what you think each word means. You must write the page number on which you found the word. You are required to write a minimum of 2 words. If you do not find any words which you don’t know, write a sentence stating that.
5. Write 3 – 5 sentences summarizing what you have read.
6. Write 1 - 3 sentences explaining how reading the book either did or did not help you connect with what we were learning in Social Studies.
7. Write 1 – 3 sentences explaining who your favorite character is, including why he or she was your favorite. Use at least 1 example from the text to support your choice.
8. Re-read what you have written, making any necessary corrections or changes. This should be your BEST work.
9. Mark the date on which you completed this assignment on your work plan.
10. Turn your notebook into your mailbox, as soon as you complete this assignment, but no later than the due date listed on your work plan.
