Social Studies Assignment
Harlem Renaissance

Directions:

1. Read all of these directions before beginning this assignment.
2. In the Social Studies section of your notebook, skip a line from the previous entry and write, “Harlem Renaissance”, centered on the page, as the title for the assignment. Write the date to the right of the title.
3. You may work with a partner for this assignment. A partner means you and one other person. Write your partner’s name on the page. If you choose to work alone, write, “No Partner” on the page.
4. Trim and attach the page of questions you were given in class. Each partner must do this in his or her own notebook, but your answers should be very similar because you are working together. Answer the questions as you visit each station. Your answers must be in complete sentences, and you must use your best mechanics.
5. Visit each “station” and look through the binder. You must read all of the information in each binder. At the music station, you must also listen to the 3 songs in the list, using the earbuds provided, so you do not disturb other students. When you are finished listening, use a Clorox wipe to clean the earbuds.
6. Re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
7. Mark the date on which you completed this assignment on your work plan.
8. Turn your notebook into your mailbox as soon as you finish the assignment, but no later than the due date listed on your work plan.
