Social Studies Assignment
Pyramid of Hate

Directions:

1. Read all of these directions before beginning this assignment.
2. In the Social Studies section of your notebook, skip a line from the previous entry and write, “Pyramid of Hate”, centered on the page, as the title for the assignment. Write the date to the right of the title.
3. Read the information on the Pyramid of Hate you were given in class, and think about each level on the pyramid. Based on this information, you will create your own pyramid of hate.
4. In your notebook draw a pyramid, similar to the one on the hand-out you were given.
5. Write the title of each level on your pyramid and choose one of the levels on which to complete this assignment.
6. On the level of your pyramid which you have chosen, write a specific example of behaviors, attitudes, or actions which would fit on that level. This may be a real experience you have had, something you have heard about, or a self-created example.
7. Below your pyramid, write an explanation about how your example fits the level on which you wrote it. In other words, why does your example belong on the level on which you wrote it?
8. Re-read what you have written, making any necessary changes or corrections. This should be your BEST work.
9. Mark the date on which you completed this assignment on your work plan.
10. Turn your notebook into your mailbox as soon as you finish the assignment, but no later than the due date listed on your work plan.
