Speech Assignment
Preparation – Persuasive Speech

Directions:

1. Read all of these directions before beginning this assignment.
2. In the Speech section of your notebook, skip a line from the previous entry and write, “Prep”, centered on the page, as the title for the assignment. Write the date to the right of the title.
3. You will need to create some type of visual aid to be used to enhance and support your speech. If you are uncertain about what you should use as a visual aid, arrange to meet with the teacher for assistance.
4. Create your notecards. You may use 5 one-sided 3 x 5 notecards. Notecards are to contain bullet points only, except for the quotes you are sharing in your speech to support your view. Since quotes need to be shared word for word, you may write them on the cards, in their entirety.
5. Trim and attach a minimum of two practice sheets into your notebook. You must practice at least two times and fill out a sheet for each practice session.
6. Mark the date on which you completed this assignment on your work plan.
7. Turn your notecards, using your purple and green folders, as well as your notebook, into your mailbox, as soon as you finish the assignment, but no later than the due date listed on your work plan.

Please note: If you have a PowerPoint or some other type of electronic visual aid, it must be saved on a flash drive and the flash drive should be turned in with your notecards, in your folders. If you do not wish to bring your visual aid to school before your presentation, you must take a picture of it and send it to the teacher, no later than the due date listed on your work plan for this assignment.
