Writing Assignment
Persuasive Writing 2

Directions:

1. Read all of these directions before beginning the assignment.
2. In the Writing section of your notebook, skip a line from the previous entry and write, “Persuasive Writing 2”, centered on the page, as the title for the assignment. Write the date to the right of the title.
3. Using either your previously chosen topic or a new topic, if you prefer, do research about a second point regarding that topic. Your research must include at least 2 quotes from experts in the field which will back up your claims. Write the research notes, including the quotes, in your notebook.
4. Write a paragraph, strictly following the blueprint for writing a persuasive paragraph explicitly. This means you should have exactly 8 sentences in your paragraph, and each one should be exactly the same as what is listed in your notes.
5. After completing the assignment, re-read what you have written, making any necessary corrections or changes. You should be turning in your BEST work.
6. Mark the date on which you completed this assignment on your work plan.
7. Turn your notebook into your mailbox, as soon as you have completed the assignment, but no later than the due date listed on your work plan.
