

# 2018-2019 Haskell Uniform Policy

Research has shown that uniforms improve academic achievement and behavior for students. In order to create the best learning environment possible, please support your child's education by following our uniform policy:

**Students are expected to wear the following clothing to school every day.**

- Navy, gray, or khaki pants, shorts, skirt, or dress (no black bottoms allowed)
- A **plain** shirt with **collar** (any color—no stripes, designs, or words) OR any HASKELL spirit wear t-shirt or sweatshirt will be allowed throughout the week.
- **Plain** sweaters & sweatshirts are allowed over the proper uniform top. (Students will not be allowed to turn shirts inside-out to make them plain).
- Hats and hoods are **not** allowed to be worn in school

**\*Please note that if your child is continuously out of uniform, a minor referral may be written per the discipline code. We understand that life happens, please call school if you need some assistance on a particular day.**
